

## Dental Insurance

We are pleased that many of you have dental benefits and our office will assist you in obtaining the maximum benefits specified in your contract. However, your benefits are a contract between you, your employer, and the insurance carrier. We will assist you in determining your benefits as best we can.

Because plans differ from carrier to carrier and policy to policy, our office may refer you to your carrier or your employer's benefits coordinator for assistance in understanding your plan.

As a courtesy to you, we will file your benefits claim and accept assignment of benefits.

We ask that your estimated co-payments and deductible be paid at the time of service.

### Methods of Payment

#### Dental Insurance/Benefits

Cash, Check or Credit Card (MasterCard or Visa)

Visa & Mastercard

Balances with benefit claims outstanding more than 90 days may be reverted back to the patient. Not all services are a covered benefit in all contracts. Some carriers and employers select only some services to be covered. You are responsible for payment of all services regardless of the payable benefit.

Balances older than 90 days may be subject to additional collection fees and interest. These additional fees will be applied to the unpaid balance at the end of the third month.

In the event that your account is not paid and we refer the account to collection, you will be responsible for all fees incurred for collection of your bill (i.e., attorney fees, court costs and collection agency fees).
